Provincial Exhibition
of 1875, Ottawa.

First Prize, Bronze Medal and Diploma, Provincial Exhibition, Quebec, 1877.

The Safes I manufacture, justly considered at present as the best ever offered to the public, combine all the qualities required as to strength and safety. In order to avoid moisture in the interior of the Safe, and offer the greatest possible resistance in case of fire, an air space has been secured between the iron sheets which form the envelope or frame of the Safe.

The hinges are not of Cast, but Wrought Iron, resting on a solid base of Steel with aperture in order to remove the doors in case they should in time require any repairs. This improvement gives an undoubted superiority over all other Safes.

These Safes are all they are represented to be, and a visit to my Factory will convince every thinking man of the truth of what I affirm.

I ALSO MANUFACTURE TO ORDER,

Iron Vault Linings, Burglar-Proof Vault Doors, Fire-Proof Doors.

Iron Shutters, Iron Doors for Public Buildings, Messengers' Chests and Deed Boxes, Cell Doors and Gratings, Jail, Safe, Bank and Store-Door Locks, Iron Girders and Iron Bridges, &c.

A large number of Second-hand Safes of different makes always on hand, which will be sold cheap.

PREFACE.

THE PUBLISHERS have much pleasure in submitting herewith the MONTREAL DIRECTORY for 1880-81, and trust it will meet the approval of subscribers and advertisers. The difficulty of securing thoroughly reliable agents necessitates the revision of their work from door to door. To some this repetition may have proved somewhat annoying, but by no other means could correctness be secured.

The Publishers have to thank Subscribers and Advertisers for their continued generous support, and beg also to acknowledge the courtesy of those to whom they are indebted for the large volume of Miscellaneous information contained in the Directory.

MONTREAL, June 11, 1880.

SIR HUGH ALLAN, President. | HENRY LYMAN, Vice-President.

ANDREW ALLAN, N. B. CORSE, ROBERT ANDERSON, J. B. ROLLAND.

ARTHUR PREVOST.

GERALD E. HART, General Manager.

ARCHIBALD MCGOUN, Sec.-Treas. ALFRED JONES, Inspector.

MERCHANTS and MANUFACTURERS will please note that this Company issues the only **FIRE POLICY** in Canada granting permission to keep **UNLIMITED** quantities of Oils or hazardous goods *incidental to their trade* **Without Endorsement**.

SPECIAL features of **LIFE BRANCH** are gaining for it a preference over all other Companies. This is the only Canadian Company dividing its surplus *annually* among Life Policy Holders in reduction of next premiums. Send for a table of rates. Life Branch entirely distinct in Funds and Management from other Branches.

THE "CITIZENS" is the oldest Guarantee Company in America, and offers unquestionably **TEN-FOLD THE SECURITY** of any other Company. All Railways and Public Companies, Banks, Building Societies, Government and Municipal Officers, etc., in **Canada** and the **United States** should hold the indisputable bonds of this Company in preference to all others, as they have had a long trial, and not found wanting. No other form of security is half so satisfactory. Special rates to large Companies.

ACCIDENT POLICIES covering indemnity until cured, and all other popular modes issued at very moderate rates.

CHARLES KNIGHT'S

Popular History of England.

 " " " Cloth extra, gilt top, laid paper, . . . 12.00

Each set put up in a neat paper box.

This edition has been prepared at large expense expressly to meet the demand for a really good and cheap edition of this standard work. The type is new, clear and readable, the paper of a good quality, the size the now popular 12mo, and the binding neat and durable. The price has been made very low to ensure a large sale, and will commend the work to all those desirous of possessing the best History of England extant.

Attention is directed to the following opinions of the work, particularly to that of President Porter, of Yale College.

"The best History of England for the general reader is Knight's *Popular History*. For a single history which may serve for constant use and reference in the library, or for frequent reading, it is to be preferred to every other."—*Noah Porter*, D.D., LL.D.

"We very cordially recommend these volumes to the readers whom they seek. We know of no History of England so free from prejudice; so thoroughly honest and impartial; so stored with facts and fancies; and therefore none so well adapted for school or college as this."—*London Athenaeum*.

"Its literary merits are of a very high order; indeed, nothing has ever appeared superior, if anything has been published equal, to the account of

the state of commerce, government, and society at different periods."—*Lord Brougham*.

"Mr. Knight's book well deserves its name; it will be emphatically popular, and it will gain its popularity by genuine merit. It is as good a book of the kind as ever was written."—*Westminster Review*.

"The best history extant, not only for, but also of the people."—*All the Year Round*.

"A standard book on the shelves of all libraries."—*London Spectator*.

"The last and greatest literary work of his life. This history will remain, for many a long day, a standard work."—*London Times*.

"This work is the very best History of England that we possess."—*London Standard*.
